

Green
6 Whitehorse Circle
Belton, Texas 76513

March 11, 2013

Dear Family, Friends and Local Business Owners,

In November 2012, Heath Green was diagnosed with testicular cancer. As many of you know, Heath is a 36 year old father of two children. He is a Belton native and currently resides in the Belton area. Throughout the last few months Heath has undergone extensive chemotherapy and multiple hospital stays. There have been some small setbacks in the treatment, but through all of this, Heath has remained positive. At this time the hope is that the treatment will keep the cancer from spreading and he will make a full recovery.

The purpose for this letter is to ask for your help. Chuck Green, Heath's brother, with the help of several others would like to sponsor a benefit archery shoot. Proceeds from this shoot would be paid directly to Scott and White in order to alleviate some of the medical bills that Heath's insurance will not cover. The shoot will be held in Waco at Huaco Bowmen Archery Club. There will be a silent auction, a concession stand, event t-shirts and multiple raffles. If you or your business would like to contribute in any way it would be greatly appreciated.

All donations can be made to "Shooting for Green" and mailed to 6 Whitehorse Circle Belton, Texas 76513. If you would like to specifically sponsor something like the T-shirts or donate a silent auction item please contact Kacee Green @ 254-780-7277 or Chuck Green @ 254-760-0264. If you would like to make a cash donation, there is an account set up at Texell Federal Credit Union under the name "Shooting for Green." A non-profit EIN account has been set up; the number for your reference is 46-2232102.

Thank you in advance for your participation,

The Green Family
