**SPECIALIZING IN WHITETAIL DEER, MULE DEER, & TURKEY HUNTS**

BROKEN BOW, NEBRASKA

Hidden Hills Outfitters has access to thousands of private acres in the Broken Bow, Nebraska area including land with deep cut canyons and sandhills that are perfect for a spot-stalk to remember. The landscape offers ideal cover for many animals such as deer, pheasants, turkeys, and quail.

With over-the-counter tags and season dates from Sept. 15 to Dec. 31, the Hidden Hills Guides can cater to hunters of any caliber and with every type of weapon. From individual hunts, to corporate entertainment, Central Nebraska is the perfect place for your next hunting adventure.

The three young men at Hidden Hills Outfitters have found that guiding hunts in beautiful Central Nebraska gives them just as much excitement as if they were pulling the trigger themselves. Ethan Johnson, Jacob Hueftle, and Print Zutavern grew up hunting the Broken Bow area and began guiding with Hidden Hills Outfitters in hopes to share not only the thrill of filling a tag, but to expand their fellowship amongst sportsmen.

These experienced guides strive to provide each visiting hunter an opportunity to bag the best possible animal. They work with land-owners year round to improve and manage deer herds in hopes to spot that perfect, trophy deer.
